## Work Experience

### Video Editor (3+ Years)

Proficient in creating high-quality video content for various platforms, including promotional videos, event highlights, and social media reels.

Skilled in using industry-standard tools like Capcut and After Effects to produce visually engaging edits.

Expertise in storytelling, transitions, and color grading to deliver polished and impactful videos.

Collaborated with clients and teams to conceptualize and execute creative ideas, ensuring timely project delivery.

### Graphic Designer (1.5 Years)

Specialized in creating visually appealing designs for branding, marketing, and promotional materials.

Proficient in design software such as Adobe Photoshop and Canva.

Designed logos, posters, banners, and digital assets for events, campaigns, and businesses.

Focused on maintaining brand identity while incorporating modern design trends.

### Event Management (2 Years)

Served as the Chairperson of college fests, overseeing all aspects of event planning and execution.

Successfully managed budgets, sponsorships, and vendor coordination to ensure smooth operations.

Led a team of volunteers to organize large-scale events, workshops, and competitions, attracting significant participation.

Developed promotional strategies to increase event visibility and engagement, including social media campaigns and PR initiatives.
